Best Practices

Best Practice I

Title of the practice: Green Campus Initiative

Objectives

1. To promote eco-friendly practices.
2. To promote sustainable energy practices.
3. To reduce reliance of fossil fuel.

The practice:

The institute has taken various initiatives to promote green campus. The use of vehicles and plastic is banned inside the campus. Students and staff have been provided with bus facility from city to the campus. Solar system and water heaters are installed. Rain water harvesting and waste management is incorporated in the campus.

Evidence of success

1. Use of bicycles and electric vehicles increased.
2. Most of the staff and students come to the campus by college bus.
3. Reduced electricity use and plastic waste.
4. Helps to maintain healthy air quality, helps to maintain lush green campus.

Best Practice II

Title of the practice: Institutional social responsibility

Objectives

1. To incorporate the cultural values and sense of social responsibility in students.
2. To provide support to pilgrims and devotees.

The practice:

KRSCMS is situated in Trimbkeshwar district where many pilgrims and devotees visit every year. There is “Shravan Feri” on 3rd Monday of shravan (month), Nivrutti maharaj Yatra, Kumbh mela (after every 12 years). Our Institute’s students give “Seva”to devotees every year at the time of Shravan and Kumbh Mela. They assist them and provide water and food to devotees.

Evidence of success

1. It promotes the sense of social responsibility and commitment to giving back to the society among students.
2. It builds strong bond with community.
3. Provides tangible benefit to community through distribution of food and necessary things during their pilgrim journey.
