Sub: Invitation to Conduct/ attend a session on Language and Communication Skills.

Respected Madam,
Greeting from the Department of Applied Science!
We are pleased to inform you that our department is organizing a special Session on
"Language and Communication Skill – Basics to Application" for first year Engineering students.
The session aim to strengthen their fundamental communication abilities and prepare them
for academic and professional challenges.
We would to be honored to have your presence and contribution as a Guest speaker for this
session. Your expertise in the field would greatly benefit the students and enrich the learning
experience.

Details of the Session:

Sub: Appreciation for the conduction of workshop on Language and Communication Skills.

Respected Madam,

On behalf of the entire Applied Science Department at L.G.N.Sapkal college of engineering, I would like to express our sincere gratitude for your invaluable contribution in conducting the Language and Communication Skills workshop at our institution.

Your expertise, engaging presentation style, and insightful guidance provided our students with a unique opportunity to enhance their communication abilities. The sessions you led were not only informative but also interactive, fostering a learning environment that was both enriching and enjoyable.

We were especially impressed by the way you tailored the content to meet the needs of our diverse student body. The practical exercises, thought-provoking discussions, and constructive feedback helped participants refine their speaking and writing skills, which will undoubtedly serve them well in their academic pursuits and future careers.

Your willingness to share your time and knowledge with us reflects your commitment to the development of young minds, and we are truly grateful for your generosity. The impact of your workshop on our students will be felt for a long time, and we look forward to the possibility of collaborating with you on future events.

Once again, thank you for your dedication and support. We hope to welcome you back to our college in the near future.

Thanking you,
With warm regards

Subject: - Appreciation for the conduction of an Expert Talk on "Basics of Japanese Language and its certification Exam".

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With the reference to above subject, AIDS Department of Late G. N. Sapkal College of Engineering, Nashik, has conducted an Expert Talk on "Basics of Japanese Language and its certification Exam" on "23/08/2024" for our SE (AI & DS) students under Artificial Intelligence and Data Science Students Association (ADSA).

On behalf of our institute, we take this opportunity to express our appreciation to you for the conduction of an Expert Talk. It was extremely informative and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you personally for taking time to provide us your expertise and experience in the subject and support.

Thank You,

Sub: Invitation as Resource Person for a One day workshop on **"Katakana Made Easy: Learn to Read and Write Japanese"**.

Respected Madam,

It gives me immense pleasure to invite you as a Resource Person to address our Artificial Intelligence and Data Science Students on **"Katakana Made Easy: Learn to Read and Write Japanese"**. The Proposed Date for the workshop is **25/04/2025, 11:00am** onwards. We firmly believe that your thoughts, experience and expertise would enable our students to gain valuable knowledge.

Kindly communicate your acceptance which will enable us to organize the smooth conduction of the talk.

Thank you.

Brief Description of the activity	<p>The "Katakana Made Easy" workshop was conducted to give students an introductory understanding of the Japanese Katakana script. Ms. Priyanka Mani, a professional Japanese Language Trainer, led the session with a well-structured presentation that included writing techniques, pronunciation exercises, and cultural context. Students engaged in live character writing and reading practices, enhancing their familiarity with the script.</p> <p>The workshop also included fun activities and a mini quiz to reinforce learning. The interactive nature of the event helped maintain student engagement and fostered enthusiasm for learning a new language. The activity not only served as an academic enrichment opportunity but also promoted cultural sensitivity and global readiness among engineering students.</p>

Subject: - Appreciation for the conduction of one day workshop on "Katakana Made Easy: Learn to read & write Japanese".

Dear Madam,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses in technical education. Its objective is to provide engineering education at the highest possible standard. With this reference Department of AI&DS Engineering of Late G. N. Sapkal College of Engineering, Nashik, organized a One Day Workshop on **"Katakana Made Easy: Learn to read & write Japanese"**.

We would like to take this opportunity to thank you on behalf of our institute for serving as a resource person for this workshop. The contents of the workshop were quite informative and educational, and our students' and staff members' participation demonstrated the significance of the topic. We appreciate your efforts and time given to provide all the information relate to the topic. Once again thank you very much.

With warm regards.

Brief Description of the activity	<p>The Department of Civil Engineering and the Civil Engineering Students Association (CESA), in collaboration with the Internal Quality Assurance Cell (IQAC) of LGNSCOE, organized a soft skill and communication skill activity focused on equipping final-year Civil Engineering students with essential soft skills, communication skill and interpersonal skill insights into diverse career opportunities within the field. Esteemed academician Er. Bhavesh Gavhane graced the occasion as the guest speaker. The program commenced with a warm felicitation of Er. Bhavesh Gavhane by the Head of the Civil Engineering Department, Prof. Dr. Ketan Salunke, marking the auspicious beginning of an insightful session.</p> <p>Conclusion:</p> <p>The activity proved to be a highly beneficial session for the graduating Civil Engineering students. Er. Bhavesh Gavhane expert guidance on interpersonal skills, communication skill in civil engineering undoubtedly provided the students with a competitive edge as they prepare to embark on their professional journeys. The successful organization of this event, a collaborative effort between the Department of Civil Engineering, CESA, and IQAC, underscores LGNSCOE's commitment to the holistic development and future success of its students. The program concluded with a formal vote of thanks delivered by Prof. Nishigandha Nimse acknowledging the contributions of all involved in making the activity a resounding success.</p>

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of SE.course. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted Expert Lecture on **"Speak to Lead : Enhancing Language and Communication Skills"**.

On behalf of our institute, we take this opportunity to express our appreciation to you for the Conduction of Expert Lecture on **"Speak to Lead:Enhancing Language and Communications Skills"**. It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.
