Particulars	Description
Brief Description of the activity	<p>A few minutes of yoga during the day can be great way to get rid of stress that accumulates daily, in both body and the mind. Yoga postures, Pranayam and meditaion are effrctive a technique to relase stress. Meditaion is relaxation and rejuventes the body and mind. With this aim in mind, a special session was organized by Applied Science department in L.G.N.Sapkal college Engineering,nashik on 06/12/2024 for the student (150 Nos) with full interest with protocols. Yoga instructor Prof. Aarti P.Chandratray took yoga session with great dedication. The session began by seeking the blessing of the almighty by chanting the Gaytri mantra. Asanas starting with warming up and ending with Shavanasan. Exercises for relieving stress, reducing joint pain and enhancing the flexibility of the back. Prof. Aarti motivated the student and conveyed the importance of yoga practice. In the present day when students face stress, tension, fear, etc. Simple "Asans" can help dispel these. Subject : Appreciation for the conduction of Workshop on "Yoga and meditation"

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of UG courses. It aims of conducting high standards of education as well as physical and mental health of student in the field of engineering. With this reference Department of Sport and Physical Education Engineering of Late G. N. Sapkal College of Engineering, Nashik, conducted a Workshop on "Yoga and Meditation".

On behalf of our institute we take this opportunity to express our appreciation to you for the Workshop on under the subject of "Yoga and meditation". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,
With warm regards.

Brief Description of the activity	<p>Under Career Katta unit of Late G. N. Sapkal college of Engineering, Anjaneri, Nashik, one- hour workshop on ' Financial Literacy ' was conducted in conjunction with NSE on 18th October 2024, Friday. Resource Person Prof. Seema Baji madam enlightened the students. In her insightful talk, Seema Baji madam pointed that financial literacy is essential for making informed decisions about managing personal finances, and mutual funds play a key role in this area. Mutual funds allow individuals to invest in a diversified portfolio of stocks, bonds, or other securities managed by professional fund managers. By pooling resources from multiple investors, mutual funds provide access to a broader range of investments than individuals might achieve on their own.</p> <p>She further added that a strong understanding of financial literacy helps individuals evaluate the risks and rewards of different mutual fund types, such as equity funds, debt funds, and balanced funds. Knowing how to interpret fund performance, fees, and tax implications empowers investors to make choices aligned with their financial goals. Additionally, financial literacy equips investors to differentiate between short-term market fluctuations and long-term</p>

In this way, mutual funds can be an accessible option for those looking to build wealth over time with manageable risk, provided they have the foundational knowledge to navigate the complexities involved. Total 62 students took benefit of the workshop to make it a success.</p>

Subject: - Appreciation for the conduction of an Expert Talk on "Empowerment Through Awareness: Understanding the POSH Act".

Respected Ma'am,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With the reference to above subject, AI&DS Department of Late G. N. Sapkal College of Engineering, Nashik, has conducted an Expert Talk on "Empowerment Through Awareness: Understanding the POSH Act" on "21/02/2025" for our students under Artificial Intelligence & Data Science Students Association (ADSA).

On behalf of our institute, we take this opportunity to express our appreciation to you for the conduction of an Expert Talk. It was extremely informative and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you personally for taking time to provide us your expertise and experience in the subject and support.

Thank You.

With warm regards,

Brief Description of the activity	<p>Artificial Intelligence and Data Science Department of Late. G. N. Sapkal College of Engineering, Nashik has organized A "Self-Defence Training Program". The resource person was Ms. Poonam Ghuge, President, Swawaymsidha Association, Nashik. Prof. S. R. Baji head of AIDS department welcomed the guests. The session began with a brief introduction of guest, welcoming all students and knowing the basics of Self-Defence.</p> <p>The Self-Defence Training Program is designed to equip individuals with the knowledge, skills, and confidence needed to protect themselves in potentially dangerous situations. The program typically includes a combination of physical techniques, situational awareness, and psychological preparedness.</p> <p>Students learn practical methods to defend against common attacks, including grabs, strikes, and holds. In addition to physical defence skills, the program emphasizes the importance of de-escalation strategies, risk assessment, and assertive communication.</p> <p>The Self-Defence Training Program plays a vital role in empowering individuals, especially women and vulnerable groups, by giving them tools to stay safe and act decisively when faced with threats.</p> <p>Around 67 students from AI & DS Engineering were present for the Training Program.</p>

Brief Description of the activity	<p>Artificial Intelligence and Data Science Department of Late. G. N. Sapkal College of Engineering, Nashik has organized A Guest lecture on "Women Empowerment". The resource person was Ms. Poonam Ghuge, President, Swawaymsidha Association, Nashik. Prof. S. R. Baji head of AIDS department welcomed the guests. The session began with a brief introduction of guest, welcoming all students and knowing the basics of Women Empowerment.</p> <p>The key topics covered during the lecture included the significance of education as a tool for empowerment, the need for equal representation in decision-making processes, and the importance of addressing societal norms that perpetuate gender inequality. The speaker also discussed the role of policy-making, corporate responsibility, and community-based initiatives in creating an enabling environment for women to thrive.</p> <p>Additionally, real-life examples and case studies were shared to highlight successful empowerment initiatives that have made a tangible difference in the lives of women, both locally and globally. The lecture not only emphasized the need for collective action but also encouraged individual responsibility in challenging gender biases and advocating for equality. The session concluded with an engaging Q&A, where attendees had the opportunity to ask questions and discuss the practical steps they could take to contribute to women empowerment in their own communities and workplaces.</p> <p>Around 67 students from AI & DS Engineering were present for the Training Program.</p>

Subject: - Appreciation for the conduction of Expert talk on "The Inner Compass: Using Conscious Intention to Guide the Subconscious mind".

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With this reference, AI&DS Department of Late G. N. Sapkal College of Engineering, Nashik, has conducted the Expert talk on "The Inner Compass: Using Conscious Intention to Guide the Subconscious mind" on "09/04/2025" for our SE (AI & DS) students.

On behalf of our institute we take this opportunity to express our appreciation to you for the conduction of a Program. It was extremely informative and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you personally for taking time to provide us your expertise and experience in the subject and support.

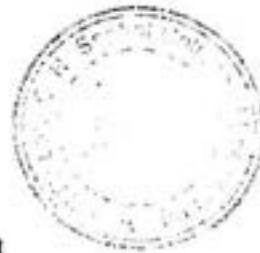

Thanking You,

With warm regards,

Title	"Vipassana Meditation Practice Camp"
Organized by	Dept. Of Mechanical Engineering, Late G. N. Sapkal College of Engineering, Nashik
Venue	Seminar Hall, Mechanical Engineering Dept. Building, Late G. N. Sapkal College of Engineering, Nashik
Date	05 th December 2024
Time	09:30am to 12:30pm
Objectives of the activity	<p>The primary objectives of the Meditation Camp were as follows:</p> <ol style="list-style-type: none"> 1. Introduce participants to the benefits of meditation and mindfulness. 2. Teach participants various meditation techniques for relaxation and stress reduction. 3. Enhance mental focus, concentration, and overall well-being. 4. Foster a sense of community and connection among the participants.
Outcomes of activity	<p>1. Enhanced Awareness and Stress Reduction: Participants experienced guided meditation techniques that helped improve mindfulness and reduce stress, contributing to better emotional well-being and focus.</p> <p>2. Introduction to Practical Meditation Skills: Attendees were introduced to Vipassana meditation, learning hands-on methods such as body scanning and breath awareness, which they can now incorporate into their daily routines for personal growth.</p>

	3. Fostering Community and Engagement: The interactive Q&A sessions and group participation fostered a sense of belonging and open discussion on mental wellness among students and faculty, promoting a supportive academic environment.

Content of the activity	The Vipassana Meditation Practice Camp, organized by Dept. Of Mechanical Engineering, Late G. N. Sapkal College of Engineering, Nashik, took place on Saturday, May 6th, 2023, from 09:30 to 12:00. This event aimed to introduce students, faculty, and staff to the ancient art of Vipassana meditation, promoting physical and mental well-being and inner peace.
Relevance to POs	<p>PO8 – Ethics The meditation camp emphasized personal discipline, mindfulness, and self-awareness, which are foundational to ethical behavior and decision-making in personal and professional life.</p> <p>PO9 – Individual and Team Work Participation in group meditation sessions encouraged individuals to work in a collaborative environment and respect others' perspectives, enhancing team bonding and interpersonal sensitivity.</p> <p>PO10 – Communication The interactive Q&A session helped participants express their experiences clearly and listen attentively to others, strengthening their oral communication skills.</p> <p>PO12 – Life-long Learning Exposure to meditation and stress-reduction techniques</p>

	encouraged students to adopt practices that support continuous personal development and holistic well-being.
Relevance to PSOs	<p>PSO1 – Apply and interpret Mechanical Engineering knowledge for societal advancement Improved mental clarity and emotional balance from meditation practices enable students to approach engineering problems with greater focus and social sensitivity—important traits for technocrats and entrepreneurs.</p> <p>PSO2 – Develop and implement new ideas in product design and development Meditation enhances creative thinking, patience, and concentration, supporting innovative approaches in design, use of modern tools, and adherence to best manufacturing practices.</p>
Methodology used	<ol style="list-style-type: none"> 1. Instructions with recorded audio. 2. Discussion and question answers.
Brief Description of the activity	<ol style="list-style-type: none"> 1. Guided Meditation:- Participants were led through a series of guided meditation exercises, focusing on mindfulness, body scanning, and breathing techniques. These exercises were aimed at helping individuals develop a heightened awareness of their thoughts and sensations. 2. Discussion and Q&A:- After each meditation session, participants had the opportunity to ask questions and share their experiences. This interactive component allowed attendees to deepen their understanding of Vipassana meditation. 3. Refreshments: A short break was provided halfway through the session, during which participants could enjoy light refreshments and engage in informal discussions with fellow participants.

INVITATION

To,

Dr. Sachin Shinde

Assistant Professor,

R. G. Sapkal College of Pharmacy,

Anjaneri, Nashik.

Dear Sir,

I am delighted to ask you to lead a professional session on "Mastering Time and Stress: Key Life Skills for Engineering Students" for the students of SE, TE and Final year Mechanical Engineering. The session is organized by our Department of Mechanical Engineering in Association with Internal Quality Assurance Cell (IQAC) on Saturday, **September 07, 2024**, 03.00 p.m. onwards.

We will be grateful if you could share your knowledge on the aforementioned subject. Please confirm your availability so that we can make the appropriate arrangements.

Looking forward to your response.

International Yoga Day 21st June 2024- 2025

The Kalyani Charitable Trust's Late. G. N. Sapkal College of Engineering, Anjaneri in Nashik celebrated "International Yoga Day" on June 21, 2024. The students, teachers and non-teaching staff of the college as well as the volunteers of 'National Service Scheme' enthusiastically participated in this event. Prof. Sonali Kulkarni, a yoga expert, outlined the several Yogasan, their significance, and their health advantages. All of the members in attendance observed Prof. Sonali Kulkarni, as she performed the Yogasan. On the wonderful morning, all of the students and staff practiced various yoga poses for approximately 1.5 hours.

At the conclusion of the programme, Principal Dr. S. B. Bagal thanked Prof. Sonali Kulkarni and expressed gratitude for their time and effort in conducting the event. He likewise offered the assurance that all of the students and staff will continue such a routine throughout the year. The director of physical education, Dr. Rajesh Kasar, offered a vote of gratitude to conclude the programme.
