Brief Description of the activity	<p>Artificial Intelligence and Data Science Department of Late. G. N. Sapkal College of Engineering, Nashik has organized a Career Guidance Session on "Domain Selection". The resource person was Mr. Vivek Agarwal, Co-Founder, COO of Corizo. Proj. S. R. Baji head of AIDS department welcomed the guests. The session began with a brief introduction of guest, welcoming all students and emphasizing the importance of thoughtful domain selection.</p> <p>In a presentation, Mr. Vivek and spoke about the influence of domain choice on personal development and job prospects. A number of well-known topics were covered in the session, including web development, predictive analytics, robotics, cloud computing, machine learning, cyber security, and data analysis and visualization. The expert discussed about the ethical practices and professional principles in these domains. He discussed the potential job paths, necessary abilities, and educational requirements for each domain. He also spoke about the state of the industry, prospects in each field, and demands on the labor market. He also provided information to students about the Corizo E-learning Platform, the Summer Upskilling Internship Bootcamp, and a few certifications. Students have the opportunity to clarify or ask questions on particular subjects during an interactive Q&amp;A session. There was discussion of issues with professional advancement, pay expectations, and work stability.</p>

Particulars	Description
	<p>At the end of this informative talk, the Students were really satisfied and enthused. The vote of thanks was delivered by Prof. S. D. Bagade, Program Coordinator, Assistant Professor, AI&amp;DS Engineering Department. The function ended with the National Anthem.</p>

**Subject:** - Appreciation for the conduction of Career Guidance Session on "**Domain Selection**".

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With this reference Department of AIDS Engineering of Late G. N. Sapkal College of Engineering, Nashik, conducted a Career Guidance Session on "**Domain Selection**".

On behalf of our institute we take this opportunity to express our appreciation to you for the Session on under the topic of "**Career Guidance**". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,  
With warm regards.

Yours faithfully

Sub: Invitation as Resource Person for the Seminar on "Competitive Exam Guidance".

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With the reference to above subject, AIDS Department of Late G. N. Sapkal College of Engineering, Nashik, has conducted the Seminar on "Competitive Exam Guidance" on "08/04/2025" for our SE (AI & DS) students.

On behalf of our institute, we take this opportunity to express our appreciation to you for the conduction of a Program. It was extremely informative and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you personally for taking time to provide us your expertise and experience in the subject and support.

Thank You.

**Program Module and Outcome  
5 days Certificate Course/Add-on Course on  
"Interview Skills and Career Counseling "**

Sr No.	Module	Syllabus
1	Module 1	<b>Communication Skills:</b> Practice clear and concise communication. Develop effective verbal and non-verbal communication techniques.
2	Module 2	<b>Research and Preparation :</b> Learn how to research companies and job roles.Understand how to match your skills and experiences to job requirements.
3	Module 3	<b>Resume and Cover Letter Writing:</b> Craft impactful resumes and cover letters. Highlight key achievements and experiences.
4	Module 4	<b>Behavioral and Situational Questions:</b> Prepare for common interview questions.Use the STAR method (Situation, Task, Action, Result) to structure answers.
5	Module 5	<b>Virtual Interview Proficiency:</b> Prepare for virtual interviews.Technical setup and maintaining a professional virtual presence.

Sr No.	Module	Outcome
1	Module 1	To enrol people in our ideas, our visions, and our visions. This has a huge impact on how effective we are and the outcomes we experience in life.
2	Module 2	Gives you an in-depth knowledge in data analytics, machine learning, data visualization, web scraping, and natural language processing.
3	Module 3	Resumes are designed to provide an employer with an easy way to quickly assess your qualifications. The main purpose of a cover letter is to help the employer understand your motivations, goals, and personality.
4	Module 4	Behavioral interview questions aim to help the interviewer understand how you acted in a specific situation. They're meant to gauge how you react to stress, what your skill level is, and how you conduct yourself in a professional environment.
5	Module 5	Try to pay attention to the type of phrases and language that an interviewer uses during your interview. If they're frequently using phrases like "I was interested to learn..." or "I was impressed by...." there's a high chance that the interviewer likes you and has formed a positive opinion of you as a job candidate.

Dear Mam,

We would like to take this opportunity to express our appreciation to you for successfully conducting Five Days Add On program on "Interview Skills and Career Counseling " organized by Department of Computer Engineering of Late G. N. Sapkal College of Engineering, Nashik in association with IQAC cell LGNSCOE Nashik.,

It was extremely informative, and participation illustrated the importance of this topic to our students. We would like to thank about your personally taking time out of your hectic schedule to provide us with the full of information.

Thanking You,

With warm regards.

**Reference:** From Campus to Career: Building a Roadmap for Engineering Success.

Respected Sir,

We would like to take this opportunity to thank you for delivering expert Talk, organized in Late G. N. Sapkal College of Engineering on 21<sup>st</sup> April 2025. The Expert Talk was a successful and was appreciated by the participating students and faculty members.

During the Expert Talk students were actively interacting with you, which will surely help them in future.

The participants were significantly benefited by the Expert Talk. The Department and College appreciate your time, dedicated effort for conducting the expert talk, and contribution in improving the well being of the participants.

Yours Sincerely,

Prof. S. G. Bagul

Brief Description of the activity	<p>The Placement Readiness Program is designed to prepare students for placement processes through targeted skill development and practical exposure. The activity begins with focusing on resume building, aptitude training, and interview preparation. Students participate in mock interviews, group discussions, and coding tests to simulate real-world placement scenarios. The abstract of the program is to bridge the gap between academic learning and industry expectations, ensuring students are technically sound and confident communicators. By enhancing problem-solving skills, domain knowledge, and soft skills, the program empowers students to navigate competitive placement challenges. This activity plays a crucial role in boosting placement success rates and preparing students for long-term career growth.</p>

Brief Description of the activity	<p>The Department of Civil Engineering and the Civil Engineering Students Association (CESA), in collaboration with the Internal Quality Assurance Cell (IQAC) of LGNSCOE, organized a valuable Training and Placement Officer (TPO) activity focused on equipping final-year Civil Engineering students with essential interpersonal skills, effective interview techniques, and insights into diverse career opportunities within the field. Esteemed academician Prof. Ashok More graced the occasion as the guest speaker. The program commenced with a warm felicitation of Prof. Ashok More by the Head of the Civil Engineering Department, Prof. Dr. Ketan Salunke, marking the auspicious beginning of an insightful session.</p> <p>Conclusion: The TPO activity proved to be a highly beneficial session for the graduating Civil Engineering students. Prof. Ashok More's expert guidance on interpersonal skills, interview strategies, and career pathways in civil engineering undoubtedly provided the students with a competitive edge as they prepare to embark on their professional journeys. The successful organization of this event, a collaborative effort between the Department of Civil Engineering, CESA, and IQAC, underscores LGNSCOE's commitment to the holistic</p>
